### Intro

Who are mid-lifers? What are the characteristics of mid-life?

### Experiencing God in the midlife

1. Experiencing God in our brokenness. (2:11-20)
2. Experiencing God in the ordinary. (2:21-22)
3. Experiencing God in our “burning bush”. (2:23-3:4)

### Response

For Mid-lifers:

1. How is God inviting you to experience him anew in this season?
2. What do you need to:
  - embrace
  - surrender
  - confront

to prepare you for what he has in store for you in your later life?

For the young and seniors:

1. Who is one mid-lifer you can encourage and pray for today?
