Intro

Obstacles to witnessing

Paul turned obstacle into opportunity

Learning from Paul's Witness in Athens

1. What Paul Saw (v.16) – “the city was full of idols”

What do we see when we look out at Singapore/contemporary culture?

2. What Paul Felt (v.16) – “greatly distressed”

How do we feel about the idols of our culture?

3. Where Paul Went (v.17-21) – synagogue, marketplace, Areopagus

Where has God placed us to be gospel witnesses?

4. What Paul Said (v.22-31) – shares the gospel in a way that addresses the broken worldviews of the epicureans and stoics.

How can we share the gospel in a way that acknowledges and answers the deep longings of people's hearts?

Conclusion

In our culture of broken worship and worldviews, let's ask the Holy Spirit to help us see, feel and speak as Paul did, while surrendering people's responses to God (v.32-34).
