A study of Joshua

Remembering and Responding

JOSHUA 23:1-16

Dr Jeffrey Greenman

Joshua's farewell address

- The present moment is the moment of decision
- How we understand the past shapes the way we live in the future

The pattern of Joshua 23

- Repeated three times
- Remembering who God is – what he has done and will do
- Responding with faith – heed our calling and God's warnings

Remembering who God is

- Mighty deliverer
- Faithful promise keeper

Responding with faith

- Called to obey
- Called to exclusive allegiance
- Called to hold fast, cling to God
- Called to love God
- Warned away from idols
- Warned away from spiritual compromise

The formula of authentic faith

+ Right Understanding
+ Heartfelt Agreement
+ Enacted Trust

= Authentic Faith

The Lord's table

- A place of right remembrance of who God is
- A place of faith-filled response of trust and loyalty
