Acts 2:37-47 (and other passages)

by Ps Lim Wei-en

Introduction

How do we know if a church is authentic?

The Community God Wants to Build

1. Word-centered and Spirit-filled

2. Inclusive (hospitable) and exclusive (holy)

3. Upward-looking (worshipful) and downward-looking (serving)

4. Inward-looking (caring) and outward-looking (witnessing)

Response

1. Do we believe God wants to build us to be such a community?

2. What would we have to stop, start, continue to be such a community?
