Description of Reportable Matter

Describe the misconduct or illegal activity and how you came to know about it. Provide as specific information as possible.

1. What is the suspected or actual misconduct or illegal activity? If there are more than one, please list and number each allegation.
2. When, where and how did it happen?

3. When did you come to know of this matter, and how was it brought to your attention if you did not witness it?
4. Is there any evidence you can provide to substantiate your concerns? <i>Note:</i> You should not attempt to investigate the matter on your own to obtain evidence.
5. Please state any other details or information that will assist in the investigation of your concerns.
6. Are there any other parties involved (in whatever way), apart from the Reported Individual identified above?
7. Any other comments?
